**Speaker: Rev. Dr. Richard Paul**

Once again we gather for breakfast and discussion of a very important objection to the Christian Faith: "Since Evil and Suffering Exist, a Loving God Cannot." Pastor Paul will continue to lead us as we explore part two of our discussion of this troubling question viewing part four of our video discussion of Lee Strobel's book, *The Case For Faith*. As men we face many challenges in our world today to defend our faith and what we believe. Won't you join us for this thought provoking discussion and some great fellowship. Invite a neighbor or friend and become a part of our morning time of fellowship, discussion and prayer.
